

PARENT TEACHER ORGANIZATION

Dear A. Fantis Parents,

Summer is flying by, and before we know it, we'll be back at A. Fantis! We hope you've been enjoying your summer break like the kids in the Fantis Summer Camp (above), making fun memories and taking some time to relax!

To our new families, welcome! We're so happy you've joined the A. Fantis community! You'll quickly find out that our school is powered by an incredible group of parents, teachers, and staff who work together to create an exceptional experience for every child.

As we begin a new school year, the PTO is looking forward to continuing to work with Ms. Lilikaki and Ms. Kathy in their new roles to support our students and strengthen our community.

Meet Your 2026-27 PTO Board

The PTO Executive Board was re-elected for another year. We're excited to continue serving our school community and wanted to reintroduce ourselves.

We are a team of nine moms with children in UPK through 5th grade, bringing a wide range of experiences and perspectives to the PTO. What we all have in common is a love for A. Fantis and a desire to make each year special for every family. Behind the scenes, we are already partnering with the school for upcoming initiatives and events.

Our goal is to make this another memorable year filled with fun and meaningful opportunities to connect as a community, while also preparing and mentoring the next

generation of PTO leaders for the 2027-28 school year. We want to hear your ideas and work together to continue to grow our outreach & build up our board: pto@afantis.org .

Did You Know?

Before summer even began, our community made an impact! By simply purchasing school supplies through our new supply vendor back in June, you helped secure \$400 in graduation scholarships for our seniors and \$600 towards their Greece trip. It is fundraising opportunities like this that help build our community and bring additional support to our school throughout the year.

There's a Place For Everyone

Whether you're brand new to A. Fantis or you've been here for years, we'd love for you to be part of the PTO. You don't need lots of free time to make a difference. Volunteer at one event, become a Class Parent, help behind the scenes from home, or explore a leadership role. Every contribution helps create the welcoming community that makes A. Fantis so special.

Join the PTO

The **PTO's superpower is the incredible parents like you**. We're always eager for parents to join the PTO because, as they say, many hands lighten the load (and make it more fun).

This is the perfect year to jump in. Several current board members will be moving on after this year, making **2026-27 the perfect time to learn the ropes before taking on a larger role**. Our current PTO board is ready to **mentor new volunteers, share what we've learned, and pass along the playbook** that keeps everything running like clockwork.

We're especially **looking for a parent to support with our monthly newsletters and communications**. Keeping families informed is one of the PTO's most important responsibilities, and we need someone to help make sure that happens. Curious or just a little tempted? Reach out and [fill out this form](#).

Become a Class Parent

We're also **recruiting Class Parents!** Class Parents are the glue that keeps grades connected and supports our teachers and families throughout the year. Thanks to everyone who has already volunteered. We've filled 4 grades with two Class Parents each, and most grades already have at least one volunteer. We need more!

Help us start the school year with every class fully supported before the first day! Curious? [Sign up here](#).

New This Year: Campus to Cathedral Chairs

This year, we're partnering with the Cathedral to support the new **Parishioner Engagement Program (PEP) to strengthen the bond of our community**. The Campus to Cathedral Chairs will be additional members of the PTO board, serving as the main liaison and point of contact to ensure all ministries and events are supported by all members of the community. Interested in learning more? Email us at pto@afantis.org or check out the descriptions of PEP opportunities. Only two spots are available. [Sign up here](#).

Not Ready for a Leadership Role?

No problem! Did you know that the **PTO organizes more than 55 events, fundraisers, & community support activities throughout the year?** Most of those happen because parents volunteer just once or twice. Whether you volunteer once or several times during the year, you'll help us preserve beloved traditions, create new ones, and support our amazing students, teachers, and staff. It can be as little as 2 hours to help set up and plan Pastries with Parents, a Teacher Appreciation Meal or Ice Cream Day; 3-5 hours to execute a spooky and fun Halloween or plan the Fantis Olympics lunch; or even 10 hours to help take the Gala and Auction to the next level; there is always a way to get involved, even remotely.

Select one, two, or a few that interest you. Partner with families in your child(ren)'s class or host an event as a grade. If every family volunteered just once this year, we could make every PTO event even more fun and easier to run. We hope you'll join us! Take a look and [sign up here](#).

In just a few weeks, the hallways will be filled with laughter, backpacks, reunions, and first-day excitement. We are so excited to welcome everyone back and kick off another incredible year together. Here's to new friendships, wonderful memories, and another fantastic year at A. Fantis.

See you in September!

Warmly,

Your PTO Board
